

THE NEW HORIZON V65

Horizon Yachts and renowned yacht designer Jonathan Quinn Barnett have combined their talents to create a sensational new pilothouse motoryacht.

- ZF joystick control for effortless single-handed maneuvering
- Industry-leading 18' 10" beam allowing for three en suite staterooms
- New-generation electrical system with state-of-the-art low-current LED lighting
- Complete gourmet galley, and seating for formal and casual dining
- Maximum safety with raised gunwales protecting easy walk-around side decks
- Enormous enclosed storage locker in foredeck area, or choose optional seating area with table

Available in hardtop and enclosed skylounge models
